Report of Principal and School Improvement Council

Lake Murray Elementary School (LMES) continues to serve our children and community with excellence. The school is dedicated to helping our students learn and grow academically, emotionally, socially and physically. ¶

¶

Academically, students performed at high levels on national and state assessments, while also meeting their personal learning goals. LMES again earned the highest award for overall academic achievement on the SC PASS assessments. Our school was rated as "Excellent" on the state report card and rated "A" on the federal accountability system. We moved closer to our school goal of 100% of our students reading on grade level surpassing ninety-seven percent. ¶

¶

Writing was a strong focus for our school this year. Instruction in each grade level focused on improving students' writing skills. Through the data team process, teachers reviewed student writings across their grade level and shared instructional strategies to support continued student achievement. ¶

¶

Instructional Technology resources were expanded with the addition of an iPad cart for each grade level. Students learned programming through participation in the Hour of Code program and learned to use iPad applications to show their learning in creative ways. Responsible use of technology was taught. Our SIC and PTO combined to present a technology safety program for parents which included a separate program for fourth and fifth grade students on digital citizenship. ¶

¶

Students grew emotionally and socially through participation in guidance lessons focused on teaching children the skills and attitudes needed to be successful in school and in life. Students demonstrated empathy for others as they gave back to the community through school wide events such as Hoops for Heart and the Children's Hospital Dance Marathon. Through the leadership of our Student Council, staff and students collected over 2,000 food items that were donated to the district back-pack program. Students also contributed to Operation Angel in lieu of giving gifts to teachers. Our fifth grade chorus continued the tradition of singing for a local nursing home and various classes completed individual service projects. ¶

¶

Students were encouraged to stay healthy through being active and making good choices. Fun and Fitness was held each morning. Archery club, golf lessons, Girls on the Run, Jump Rope Team, and Men in Training provided students opportunities to participate in physical activity outside of the school day. Many students and staff members ran road races with our school group. DARE was taught to fifth graders which focused on staying healthy by making good choices. PBIS continued as a means to acknowledge the positive behaviors exhibited by students. ¶

¶

The school community continued to provide strong support for LMES. Business partnerships, support from local civic clubs, community engagement and parent involvement contributed significantly to the success of our school. ¶

¶

In order to make information available in a variety of ways to our community, communication efforts were expanded with a strong emphasis on classroom communication. The LMES Facebook page and twitter feeds were created to compliment the school website and newsletter. These have been very well received by our school community and have served as a means to highlight the success of our school. ¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	98
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lake Murray Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
