Report of Principal and School Improvement Council

Prosperity-Rikard Elementary is one team with one primary mission in mind: to provide a nurturing community for students to achieve their personal best. This commitment, shared by all stakeholders, helps us in our daily goal to make our school motto, "The Pride of the Palmetto," a reality.

☐

In academics, we continue to teach students the basics of Math, Reading, Science and Social Studies as a basis for applying all that is learned across the curriculum. Our character education is modeled in all areas of school life, utilizing lifelong guidelines and life skills as a guide. The character education program, in conjunction with our academic program, is designed to increase student performance and teacher satisfaction, and to grow responsible citizens and future leaders. All adults in the building provide engaging instructional experiences and opportunities that enable students to strive to do their personal best. Students are provided with a number of opportunities to excel by utilizing technology in the classroom.

☐

☐

We continue to provide service learning opportunities for students to give back to the community and to develop self-worth in helping others. Our connections to the community are provided through financial support to charities from monies raised by the students and staff, and donations in kind such as canned and dry goods to the local food bank. ☐

☐

We had students participate in a number of special projects through the school and on their own, from art and poster contests, to writing contests, musical competitions, dance competitions, and athletic events. These activities help to diversify opportunities for success for students. We had four teams of 4th graders that participated in the Stock Market game. Two of the teams placed 1st and 3rd in the state, and all four teams were in the top 30% of all teams across the state from 4th grade through high school. ☐

☐

Our parents and grandparents play a vital role in the collaboration for a successful future for our students. We have special events such as Goodies for Grands, Muffins for Moms and Donuts for Dads to invite these special people on special days to come and visit with students, and PTO meetings throughout the year that feature musical performances from students and provide informative presentations for parents. We host a Career Day to involve the local community with helping students select career goals for their future; sponsor a Veterans Day ceremony to honor those men and women that serve our nation in the military, especially staff members or family members of our students and staff that are presently deployed; and work with a number of volunteers that assist with small groups for reading, additional academic assistance, and mentoring throughout the school year. ☐

☐

Prosperity-Rikard Elementary School strives to provide a challenging and stimulating educational experience that meets the needs of our students and develops the learners of tomorrow, emphasizing daily successes that help make us the "Pride of the Palmetto."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Prosperity-Rikard Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
