Report of Principal and School Improvement Council

The mission of Northside Elementary, in partnership with home and community, is to challenge every child to be a "Learner for Life". It is this team approach that makes Northside such an inviting, warm, safe and nurturing place. Northside has been a Red Carpet school for its service to children and the school community. It is a school of high expectations that wishes the very best for every child. Northside Elementary is a community of 626 students in grades prekindergarten (4) through grade five. There is an even split between male and female students, and a variety of cultural backgrounds are represented. Our class size in grades 1-3 averages 21 and in grades 4 and 5 the average is 24.

□

Students and staff here at Northside have the privilege of being in a building that is clean and attractive both outside and inside. A recent renovation has added three new wings as well as a full gym, cafetorium, science lab and second computer lab. The media center has an open format and the fine arts program offers many opportunities for our students. Several pieces of student artwork are displayed in the community and around our school. The music program provides many performance opportunities as well as a 5th grade chorus. Physical Education continues to teach students about fitness and general wellbeing. Speech, Reading Recovery, English as a Second Language, targeted assistance teachers, and a resource class all aid in the development of children needing additional assistance. Northside Elementary offers a comprehensive guidance program with a variety of programs to enhance each child's personal wellbeing. A gifted and talented class serves students who score at the state identified level. Instruction is infused with lessons utilizing Smartboards, United Streaming, laptop computers and ipads as well as LCD projectors. The staff of Northside also does a terrific job in handling day to day clerical needs, keeping the school looking great, and preparing a breakfast and lunch program. Support from an active parent group as well as the School Improvement Council provides necessary input for continued growth and school improvement. A 5k/1 mile fun run was enjoyed by many. Community sponsorships from this event provide field trip cost assistance.

□

It is this well rounded approach and quality daily instruction that has made test scores of Northside students consistently above the state average. There is a continual analysis of MAP and PASS scores to seek ways to improve upon our daily instruction and support programs. Through the commitment of the Northside staff, it is our goal to meet each child's needs and encourage them to be Learners for Life!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Northside Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
