Report of Principal and School Improvement Council

During the 2013-2014 school year, Lockett Elementary School (LES) provided all students with the instructional resources to help them achieve at higher academic levels. Our faculty and staff focused on each child's particular learning needs and our parents and community members continued to provide assistance in many areas of our school.

□

Lockett Elementary students became more involved in computer assisted instruction through the use of BrainPop and IXL. BrainPop provided students with access from home or school in the areas of reading, science, and social studies. IXL is a web-based program that provides students in all grades with activities to challenge their critical thinking skills. The program is aligned with the new Common Core State Standards (CCSS) that will be more rigorous and help our students to be more career and college ready. Our Response to Intervention (RtI) efforts includes the use of Voyager, V-Math, and Leveled Literacy Intervention (LLI) for targeted students.

□

LES won the Palmetto Gold Award this past year. Our students were involved in community projects: Jump Rope for Heart, March of Dimes, and Make a Wish. LES had several students to receive the prestigious Presidential Academic Achievement Award.

□

Parents, community members participated in our Fall Festival, PTSO student performances, Grandparent's Day activities, Veteran's Day activities, Award's Day programs, Field Day, Mother Son Banquet, and other special events. Community leaders helped with a student mentoring program for some of our young males. This is a program that we hope to expand in the future.

□

The challenges to overcome in meeting our student achievement goals are decreased funding levels, large class sizes, and limited instructional personnel to assist with interventions. However, everyone involved will continue to provide the best instruction possible based on each student's individual needs. We welcome your suggestions and your support is always appreciated.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lockett Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
