Report of Principal and School Improvement Council

The 2013-14 school year was another exciting year for the Trojans of Hunter-Kinard-Tyler Elementary School. Our theme for the year was "Our Time", as our mission remained "Building Strong Foundations".

?

HKTE is situated in a rural setting in an agricultural-based community. We currently have a poverty index of 94.4%. The school serves the communities of Norway, Neeses and Springfield. ?

?

We are very proud of the hard work of our students, faculty and staff this year as there have been several notable improvements. For the first time in school history, HKT Elementary received an Excellent in the area of growth on the 2013 School Report Card. We were also recognized for Closing the Achievement Gap with the Palmetto Silver Award.?

?

During the 2013-14 school year, HKTE continued working with our Parenting Coordinator to host Family Night activities, a Breakfast Book Club for parents of our 4 year old students and a Parent Power Hour. The cooperation and interaction between our community and school has served to enhance our educational programs and character building efforts. Additionally, our guidance counselor provided our students with Classroom Character Education Guidance lessons with an emphasis on College and Career Readiness.?

?

All HKTE teachers were provided a great deal of professional development in order to implement Explicit Direct Instruction, a research based, scientifically validated instructional framework, designed to effectively teach all students, in all grades, grade level content. This framework was implemented across grade levels. Response to Intervention (RTI) in both reading and math continued to be a focus in order to provide intensive support to students performing significantly below grade level. Several programs were used to provide Tier II and Tier III intervention for students. Wilson Foundations was implemented once again in Grades 4K-2nd grades. Wilson Foundations was also put into place in 3rd grade. In the area of math, TouchMath, along with EnVision, was implemented in grades 4K-3rd grades, supplemented by the Common Core Math Coach by Triumph Learning. 4th-5th grades also used Envision and the Common Core Math Coach. Finally, 6th grade adopted McGraw-Hill Math as the core of instruction. ?

?

Other supplemental programs/curriculum, in which students had the opportunity to utilize, included Ladders to Success, Ticket to Read and V-Math Live. Instructional Support provided for students performing above average included the Language Arts Curriculum from Michael Clay Thompson for Gifted Learners. Once again, SCE&G and The SC Chamber of Commerce supported HKTE in providing a Homework Center for 2nd through 6th graders after school who demonstrated a need for acceleration based on MAP and PASS scores. ?

?

Members of the HKTE family who continue to support our students are members of the guidance department, Reading and Math Interventionists and the PBIS Coordinator. Hunter-Kinard-Tyler Elementary School's administration, faculty and staff, along with the School Improvement Council, will continue to look for innovative ways to improve academic achievement. We welcome your support in this effort.?

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	54.9
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Hunter-Kinard-Tyler Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
