## Report of Principal and School Improvement Council

The Bethel-Hanberry campus was established in 1949 as a place in which students were provided a quality education. Over the years, our community has grown tremendously, but their dedication to our Bethel-Hanberry Elementary family has always been a priority. We are fortunate to have the unwavering support of our Educational Foundation, PTO and SIC along with numerous volunteers who bring their talents to share with our children. ☐

☐

Our school continues to accumulate awards that recognize us as a first-class learning community. A shared-vision by all of our stakeholders has truly helped us accomplish more than we can do on our own. Our 2013 State of South Carolina Annual School Report Card marked the 5th consecutive year we have received an excellent rating for both the Absolute Rating and Growth Rating. These ratings have designated us as a Palmetto Gold and Silver award winner numerous times. We are proud of this consistency as this proves we are driven to improve teaching and learning each year. In addition, we received an "A" based on the ESEA/Federal Accountability Rating System.

☐

As we continue to implement Common Core State Standards, we are focused on providing our students with the tools necessary to compete in a global culture. Our collaborative efforts with our learning community have produced invaluable resources to allow our students to inquire through their learning. Each classroom in our school has one-to-one technology devices that enhance learning for each child and bring inspiring teaching opportunities for our educators. Through our PTO, Educational Foundation and parents, we have access to more resources than ever dreamed possible.☐

☐

We are grateful for a dedicated faculty/staff who strives daily to bring their best for our students. In order to be the best for our students, the faculty/staff also have to be the best for themselves. We worked on two faculty/staff goals for 2013-2014, the first of which was Building Community, which encompassed creating relationships with students, colleagues, parents and businesses. The second faculty/staff goal was Encouraging Risk-Taking, which cultivated leaders while providing them with the necessary resources to be successful. Our hope is that we are always moving forward in our work as educational leaders and, as a result, inspire our students to grow as successful learners.☐

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>97.4</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Bethel-Hanberry Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
