Report of Principal and School Improvement Council

Bookman Road Elementary School (BRES) opened its doors in 1998 utilizing an educational model based on nine body-brain compatible elements. Continuing with that same successful model, our students, staff, and parents have created an environment that is most conducive to learning. This framework, which provides the structure for the Bookman Road school-wide design, focuses on the elements of Meaningful Content, Mastery, Choice, Collaboration, Adequate Time, Movement, Immediate Feedback, Enriched Environment, Absence of Threat, and Being There Experiences for students. The common school-wide language of LIFESKILLS and Lifelong Guidelines provides a foundation for all students to develop a sense of community and experience the highest levels of learning in a safe environment.

During the 2013-14 school year, Bookman Road received its ninth Palmetto Gold Award for academic achievement. Bookman Road has also been recognized with Palmetto Silver Awards for closing the achievement gap between statistically and historically achieving and underachieving student populations. During the 2013-14 school year, Bookman Road teachers and students were also granted multiple other awards and distinctions, including the Richland County Soil and Conservation Commission "Earth Day" Grant, the GraceLife IMPACT grant, a Sparkleberry Fair grant, a Petco Pets in the Classroom grant, and a grant from the Department of Defense to aid and support military families. The Bookman Road math team also placed 2nd overall in team and individual competitions.

The military population at BRES has continued to grow throughout recent years. To help support military families, the school has used the Department of Defense Grant to fund a number of initiatives. The school offers a military child support group, a "Beacon Battle Buddies" after-school program, and several military recognition events, including an annual Military Breakfast and Veteran's Day Program. The BRES community emphasizes the importance of supporting our military families for the service and sacrifices they make for our country.

Parent and community partnerships continue to help Bookman Road thrive. In addition to high levels of volunteerism in the classrooms and throughout the school, our School Improvement Council (SIC) spearheaded efforts to sod the school's playground and secure funds to upkeep our schoolyard and "Lighthouse Lookout" Nature Trail; while the Parent Teacher Organization (PTO) has funded thousands of dollars for a digital school marquee and a UV shade for the school's playground.

Bookman Road continues to "Light the Way" with students, parents, and staff to provide the very best learning experiences for students. Stakeholders are invited to learn more about BRES by visiting the school's website at www.richland2.org/bre.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	96
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
