**Report of Principal and School Improvement Council**

Building on the district’s belief that all students can learn when immersed in a highly engaged environment, Kelly Mill Middle strives to enhance the learning environment for all students. We are very proud of our students’ accomplishments this year. Kelly Mill had 22 Junior Scholars, as well as award-winning music programs. We also have competitive teams for Math Counts, Step Team, and Quiz Whiz. Our parent and community volunteers play a major role in the success of our school. They have contributed over 1600 hours of their time, and are steadfast in helping make our organization more dynamic and effective. The staff at Kelly Mill strives to provide our students with innovative, challenging work that inspires and encourages them to inquire about the world around them. The AVID Program accelerates student-learning and encourages inquiry-based teaching methods. Kelly Mill is one of only two National AVID Demonstration sites in South Carolina. We also use technology as an integral component of instruction. We offer one-to-one computing for all students. Each classroom has a Promethean Board, and all students have access to iPads, TI-Inspire calculators, and Chromebooks to ignite their curiosity. Honors classes are available in all four core content areas: English, Math, Science, and Social Studies, and we have a business and economics magnet school, Kelly Mill INC., which is a competitive program for the academically gifted student. This past year INC. students were back to back champions in the SC Finance Challenge, a competition put on by the SC Centers for Economics Education. Educators at Kelly Mill are provided with resources and professional development to enhance their ability to promote student success.

☐

The Center for Achievement, located on the campus of Kelly Mill Middle School, was established August 2005. It is an elementary magnet school designed for students with learning differences. The center consists of grades 2nd through 5th. There are 16 students per class, with a highly qualified teacher and an instructional assistant in the classroom. The school identifies students' strengths and provides strategies for their weaknesses. The students have shown growth and success on the nationally normed test administered, and is the proud recipient of the Palmetto Silver Award for the 2013-2014 school year.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>78.9</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Kelly Mill Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
