Report of Principal and School Improvement Council

Polo Road’s successes are a result of the participation and engagement of motivated students, parents, faculty/staff and community members. We are unwavering in our commitment to continuous improvement. With a continued commitment to demonstrating excellence in every endeavor, the 2013-14 school year was stellar! ☒

☒

Excellence in Community: Internal and external community are key determinants of a school’s success. We addressed internal community by embedding the Social Thinking Model in our character development framework. We, both students and teachers/staff, are better aware of our behaviors and actions and how they may be perceived by others. Our efforts were recognized by the SCSHA, when it awarded us the Program of the Year Award at its annual conference. We addressed external community by embracing our neighbors. Launching a Facebook page and hosting a very successful Community Open House were opportunities for our neighbors, our external community, to get a glimpse of the Polo Road Experience.☒

☒

Excellence in Professional Development: The most important contributing factor to a student’s success in school is the quality of the teaching. Participating in professional development is the means by which we strengthen our practice and become increasing proficient at meeting our students’ academic needs. This year, we focused on higher-ordering questioning, formative assessments and descriptive feedback. These practices drive our teaching and ensure student learning outcomes. How so? Read on ...

☒

Excellence in Academics: While we have always known that our students have exceptional academic abilities, it was confirmed by the State’s accountability system this year. For the first time in our school’s history, the word EXCELLENT appeared on our State Report Card (denoting an excellent growth rating). Additionally, we earned our very first Palmetto Gold Award (for general performance) and our seventh Palmetto Silver Award (for closing the achievement gap). ☒

☒

While these accomplishments came to fruition this school year, please know this is no overnight success. The accomplishments we celebrate today are the result of diligent, dedicated efforts that began in 2006 when Polo Road opened its doors, under the leadership of then principal, Jane Fancher. Through the years, we have evolved, and we continuously learn, grow and fortify a culture steeped in the spirit of excellence.☒

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.7
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Polo Road Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
