Report of Principal and School Improvement Council

Chesnee Elementary School's faculty, staff, and administrators work together to inspire and equip students to become champion learners and achievers. All experiences are planned to promote the common goals of building a strong, educational program rooted in academic achievement, social interaction, character development, and physical health. Seeking to support academic development, kindergarten through fifth grade classes are involved in the research-based 100 Book Challenge Reading Program to strengthen fluency and comprehension. To increase a love for reading and to reach the school goal of having all third graders reading on grade level, grants enable students to choose eight free books a year. To better assist reluctant readers, the addition of a reading interventionist allows extra attention in small groups for students who need more time to develop fundamental reading skills. With a balanced literacy approach, individual needs are addressed to enhance achievement in all areas. In addition, technology instruction continues to expand, to prepare students for their futures in college and the workplace. ¶

¶

To cultivate an appreciation for the arts during 2013-2014, students participated in the tenth annual drama production as well as the annual art show. A partnership with the Spartanburg County Arts Foundation to help provide numerous art/music activities for our students through the MUSE Machine Grant is in its fifth year. The school also continued its partnership with the Boys and Girls Club of the Upstate to provide an extensive variety of afterschool opportunities.¶

¶

Students and teachers work with three instructional coaches to broaden the use of effective techniques in the classrooms and increase individual student achievement. Teachers and staff continue to participate in training to transform teaching in order to guide students in research, thinking deeper, reading for details, using technology, and writing to explain thinking. Teachers eagerly participate in workshops and share regarding current trends in education and technology. Teachers recognize the importance of professional growth with the goal of increasing student performance. ¶

¶

Six PTO programs, each beginning with student performances, were conducted this year. Participation in three family nights, designed to help parents understand how to academically assist their children, exceeded school attendance expectations. The school guidance department conducted the third career fair for third through fifth graders. As determined by Title I surveys, parents are excited about the available educational programs at Chesnee Elementary School.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Chesnee Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
