**Report of Principal and School Improvement Council**

The Roebuck Elementary School (RES) motto, “RES Leading the Way”, is reflective of our commitment to preparing students to be college and career ready. Our mission is to provide innovative educational experiences that encourage students to build confidence, grow interests, and become problem solvers. The faculty and staff at Roebuck believe that children always come first. Our teachers create engaging and challenging learning experiences by focusing on creativity, curiosity, critical thinking, collaboration, and problem solving skills. Through the implementation of best practices, student driven learning, and differentiated instruction, our students continue to grow and experience success. As a result of our excellent academic accomplishments, Roebuck received the Palmetto Silver Award from the S.C. State Department of Education. ☐

☐

In 2013, Roebuck Elementary was one of 44 schools in the United States invited to participate in the Project Lead the Way (PLTW) Launch elementary curriculum pilot program. During this program, students apply science, technology, engineering, and mathematics (STEM) knowledge and skills through inquiry based learning experiences. Students and teachers engage in curriculum aligned with College and Career Ready Standards. Through a series of topic-based modules, students solve problems by utilizing collaboration, analysis, design process, and critical thinking. Our teachers have been trained using an extensive and exclusive PLTW professional development model. During a school visit in February, PLTW affiliate directors were extremely impressed with the outstanding student work, teacher instruction at every grade level, support from our school community, and the overall implementation plan for PLTW at RES. After a successful implementation of the pilot program, RES is proud to be recognized as one of the first Project Lead the Way elementary schools in the nation! ☐

☐

In addition to Roebuck’s academic achievements and initiatives, our students have the opportunity to participate in before and after school clubs, including Running Club, Math Explorers, Garden Club, and Early Morning Computer Club. In order to give back to our community, our students participate in many community service projects, including a Student Council sponsored canned food drive, Relay for Life, Jump Rope for Heart, United Way, Mobile Meals and a student sponsored recycling team. Roebuck’s success and achievement would not be possible without the support of our outstanding school community. The PTO, SIC, parents, business partners and community members are committed and dedicated to preparing our students for the future. The student energy and engagement, as well as the hard work and dedication of a supportive and well trained faculty & staff, make RES an outstanding place for children! ☐

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>81.2</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Roebuck Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
