Report of Principal and School Improvement Council

Houston Elementary students strive to achieve excellence on a daily basis. Our well-trained and dedicated faculty works diligently to provide each of our students with an enriched educational experience. Six teachers have obtained National Board Certification, 85% of the faculty is gifted and talented endorsed, and 100% of the faculty is highly qualified. For the sixth consecutive year, Houston received a Below Average absolute rating on the state report card. We continue to experience growth and advancements in technology. Each teacher received an Apple iPad and we are moving toward a digital conversion of teaching and learning. Additionally, each student in grades 3-5 was issued an iPad. Teachers and students make use of the iPads as a learning tool to enhance the learning process.☐

☐

Our students distinguish themselves in numerous academic and special areas. Fifteen students participated in our district's gifted and talented program. Six of these students scored in the top 10% in the National Wordmaster Competition. Our art students were recognized in the Piedmont Interstate Fair and the S.C. State Fair. Fifteen third grade students received the Rotary Math Excellence Award, two students performed in the District's musical production, and seventeen students participated in our band, orchestra and honors chorus program. Each month twenty-one of our students were recognized as Kiwanis Club Terrific Kids.☐

☐

To promote wellness and commitment to the total growth of the child, our students participated in Walk to School, Bike to School, Girls on the Run, Houston Running Club, the First Tee, Healthy Snack Program, and Creative Expressions Dance Club. Family and school connections are strengthened through our monthly Family First breakfast, PTO, School Improvement Council, and our Fall Family Luncheon.☐

☐

Houston Elementary has received several honors and set an expectation of excellence during the 2013-2014 school year. We are pleased to serve your children and encourage each of you to continue to take an active role in the education of your child.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.3
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Houston Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
