**Report of Principal and School Improvement Council**

Shaw Heights Elementary is a public Title I school located on Shaw Air Force Base. Our school serves both military and non-military families. We strive to create a warm, nurturing environment for our students to excel and achieve in all areas. Many parent involvement opportunities are implemented throughout the school year. Teachers work collaboratively with the parents to ensure that all children have a positive learning experience. Our School Improvement Council has made a commitment to provide support for the school’s mission and performance goals, and to encourage the involvement of the community. ☐

☐  
Shaw Heights Elementary experienced success with our students earning an A grade on the Federal Accountability Rating System in 2013. Our test scores on the PASS earned our school the honor of the Palmetto Gold Award in 2011 and 2012. Teachers, students, faculty, parents, and community members shared in the celebrations of our success. Some of the steps taken to ensure our students are achieving at a high level include correlating our curriculum with the state standards, participating in on-going professional development, intervention in reading and math, inclusion challenge classes, educational software programs, and a variety of parent involvement activities. We also involve our students in community service projects such as March of Dimes, Salvation Army Canned food drive, choir performances in the community, Christmas Cards for Shaw, and Relay for life. ☐

☐  
Shaw Heights Elementary faculty and staff are dedicated to the mission of educating all children to their highest potential. We will all continue to focus on appropriate academic planning and instruction to improve the achievement of each child attending our school.☐

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>88.4</b>
<b>Overall Grade Conversion</b>	<b>B</b>

80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
