Report of Principal and School Improvement Council

Lockhart School met successes and faced challenges during the 2013-14 school year. New programs and activities were implemented, while successful programs from the previous year were continued.¶

¶

Lockhart School received an ESEA Federal Accountability rating of C and a state report card absolute rating of average. At the middle school level 100% of the eighth grade students enrolled in Algebra I for high school credit passed the End of Course Exam. Four teachers received grants to enhance learning in math, science, reading, art, and music. In order to increase student achievement in science, all middle school students took a STEM class in addition to their regular science classes. Elementary students participated in various aspects of building a Reading Garden in the school yard to enhance their science studies.¶

¶

Lockhart School became a Title I school for the first time, which allowed us to provide new technology, increased professional development, and parenting workshops. In addition, Title I allowed us to provide a teacher assistant who worked with small groups of both struggling and advanced learners at the elementary level.¶

¶

Increasing student achievement in all content areas at all grade levels is a challenge we face. Another challenge is to regain the high morale and sense of school pride that was experienced in the past. Both internal and external stakeholders continue to work to provide data-driven, researched-based instruction and to implement initiatives designed to build and maintain school pride.¶

¶

As the school year closes, we plan to meet our challenges proactively. We will continue to hold ourselves to the high standards of the past, while looking to the future.¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	61.6
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations.

Accountability Indicator (Title I Schools)

Lockhart School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
