Report of Principal and School Improvement Council

For the third year in a row, Finley Road has been classified as a Title 1 school with 72.4% of students qualifying for subsidized meals. We have worked hard as a faculty to adjust to the changing demographics of our population. One of the ways is by taking care of the whole child. Last year’s Breakfast in the Classroom program is a perfect example – a free breakfast for every child in the school. It was so well received, we are continuing this program for the upcoming 2014-2015 school year. ☐

☐
Because we still believe that education is a cooperative effort between the schools and the community, we continued to work with Winthrop University as a NetSCOPE Partner School. This partnership not only benefits Winthrop students, but Finley Road’s students and teachers as well. We were privileged to host seven exceptional Winthrop University interns. Four of these interns were able to work the entire year with our teachers and students helping everyone involved learn and grow in different ways. We look forward to strengthening this important partnership in the future. ☐

☐
During the 2014-2015 school year, we will continue to provide for innovative education for every student as we continue our focus on the following areas: (1) data-driven instruction, (2) technology integration to enhance instruction, (3) targeted instruction for struggling students, (4) positive school-wide behavior plan, and (5) differentiated professional development. Our plan of action includes increasing the percentage of students meeting target growth on MAP, continued refinement of our balanced literacy instruction, providing intervention services for struggling learners, promoting character education through our school-wide behavior plan, modeling the use of technology to enhance instruction, and continuously finding ways to improve through differentiated professional development.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Finley Road Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
