Report of Principal and School Improvement Council

Lesslie continues to be a wonderful place to teach and learn! We recently received over \$10,000.00 in grant awards from Williams and Fudge, Rock Hill School District Foundation, and PPG Industries. During the 2013-2014 school year, Lesslie had three National Board Certified Teachers. At Lesslie, we strive daily to move every student to higher levels of learning. With our use of formal and informal assessments, we continually monitored each child, set and established goals, and celebrated individual, as well as school successes. Our students were engaged in work that was meaningful and challenging and we have raised the level of expectations while continuing to nurture the whole child. Students were given the opportunity to participate in clubs and organizations such as student Council, Safety Patrol, PE Club, Recycling Team, WTLL TV Crew, Ambassadors Club, Bucket Fillers Club, and Library Assistants. Students and staff also participated in service projects such as Jump Rope for Heart, the Clemson/Gamecock Food Drive, and donating to the Mitten Tree in the winter. The student body and staff have participated in two Hornet Hikes that raised over \$5,000. These funds were used for new playground equipment and to support literacy. The success of our school is attributed to the dedication and hard work of our entire staff, an active PTO and SIC, committed parents, grandparents, volunteers, and generous business partners. Our challenge to all students and parents/ guardians is to take an active role in education. Our teachers and staff have embraced the iRock initiative. All teachers will continue to learn about and explore integrating technology to improve instruction in all subject areas. We will seek authentic ways to showcase student work. For example, several Lesslie students presented a design for the downtown park to the City Council. Our teachers and staff will participate in professional development opportunities throughout the summer and next year that will assist us as we prepare our students to be successful in future endeavors. Our literacy Team has coordinated efforts to increase participation in family reading nights and has collaborated with The Catawba Nation to promote literacy among our families. Our school also developed a summer reading program to encourage reading throughout the summer. We look forward to facilitating opportunities for students to collaborate, problem solve, communicate, reflect, and create in the digital environment of the 21st century. We invite our students, families, and community to join us on this never ending voyage called learning at Lesslie, where we truly believe in Putting Children First!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.7
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Lesslie Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
