Report of Principal and School Improvement Council

Mt. Gallant Elementary School strives for continuous improvement each school year. We are proud of the accomplishments of our staff, parents, and students. Our school has a long standing tradition of excellence and we work diligently to make forward progress in the area of student achievement each school year. Our teachers continue to work as a Professional Learning Community and collaborate to plan engaging lessons, analyzing data, and using it to inform their instruction.

We have been blessed with a large support group of parents and community volunteers who log thousands of hours of service to our school each year. The Mount Gallant PTA is always at work in some capacity. The School Improvement Council also continues to work diligently to benefit the students of Mt. Gallant School.

The students at Mount Gallant are exposed to a variety of programs and activities used to help them learn and prepare them for success. We continue to implement our character education program, “The Knight Way is the Right Way”, and our character and leadership development club for boys known as Knights of the Roundtable and our club for girls known as Gallant Girls club. Our clubs focus on leadership and social skills that greatly impact the academic success of students.

We are extremely proud of our 2013 Palmetto Gold Award and are committed to working as a professional learning community. We will continue to work to ensure that all students are receiving a quality educational experience at Mt. Gallant Elementary school and believe that by working together with students, parents, and the greater school community we will be able to continue the progress made thus far. Our commitment to providing an engaging educational experience for each child is unwavering, and we are dedicated to our work as we prepare our future, one child at a time.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	94.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
