REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Through shared decision making, a positive learning environment, and high expectations, Centerville Elementary continues to be an award-winning school. Receiving the Palmetto Silver and Gold Award four out of the last five years is evidence that teaching and learning is a top priority. We have continued this incredible journey to accelerate student learning, as shown by meeting criteria established by our school district and the State of South Carolina. We take pride in making success a possibility for every child.

Our academic success is directly related to using data to drive classroom instruction. We use the NWEA Measures of Academic Progress (MAP) to gather assessment data and determine the needs of individual students. This nationally-normed assessment is administered in the fall, winter, and spring. MAP data provides teachers with explicit information that helps group students for intense, hands-on instruction catered to specific areas of need. This laser-focused instruction has been an essential component of our academic success.

Students have numerous opportunities to participate in meaningful activities that reinforce learning standards and promote strong leadership skills. Some of these include Garden Club, Learning with iPads, 21st Century Girls Club, Running Club, Safety Patrol, and Morning Madness Computer Club. Centerville staff, parents, community, and business partners are stakeholders that come together to ensure that all students achieve and are provided with challenging educational experiences. We share many community events, including our annual Spring Fling, Doughnuts for Dads, Muffins for Moms, Grandparent’s Day, Disability Awareness Day, Family Movie Night, Student Recognition Programs, and choral productions.

The Centerville PTO provides ongoing support through mini-grants, classroom donations, and volunteerism. Our PTO Board recognizes the importance of parental involvement and they work tirelessly to recruit and involve parents in a variety of settings and activities. Effectively utilizing the skills, talents, and training of our parents and volunteers further extends our total program effectiveness. The entire Centerville family works together for the success of our students and we strive to have every child experience success at the highest level.

Kory Roberts, Principal
