Kelly Edwards Elementary is a student-centered school serving over 450 students. We are dedicated to providing a quality education by continually ensuring a safe and secure environment. Our school has an outstanding staff dedicated to helping all students grow and succeed. We have enjoyed continued support from our parents and the community. Our School Improvement Council is instrumental in our planning and ensuring improvements to provide such quality education.☐

☐

Continued high student achievement, based upon providing a rigorous standards-based curriculum, is a trademark of our school. We continue to provide individualized student learning based on the need of each child by using Response to Intervention (RTI) in each class. The teachers and staff at Kelly Edwards Elementary work collaboratively to ensure consistency of learning across and within grade levels and content areas. ☐

☐

We also believe that community service is a huge part of making our students into productive citizens. These are avenues for our students to embrace good citizenship and compassion for others. Our students raised money for Jump Rope for Heart, March of Dimes, and Relay for Life. We also collected items for our local nursing home, books for World Wide Book Drive, canned foods for local families and soda tabs for Juvenile Diabetes. ☐

☐

Innovative learning experiences are a part of everyday life at Kelly Edwards. We continue to use various modes of technology within each classroom. We are completely wireless with a computer lab, iPads, mobile laptop cart, Smartboards, LCD projectors, Elmo cameras, Senteo Response Systems, and all of which are used to enhance student learning. We will endlessly have high expectations for every child that comes into our building and will make it our utmost goal that we continue to move them forward.☐
