REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Conway Elementary School is a community school where students in kindergarten through fifth grade receive challenging and meaningful instruction from highly qualified faculty and staff. CES continues to provide instructional programs within the school to enhance instruction such as Everyday Mathematics, Literacy Workstations, Imagine It!(Reading & Phonics program) for grades K-5, Intervention programs (Language!, Reading Mastery, BURST, Corrective Reading, Connecting Math), Writing Workshop, Science, and Social Studies curriculum. We also provide the opportunity for students to participate in various clubs such as Tech JOTT, Young Engineers Club, Good News Club, M.A.D. Science Club, Quilting Club, Cub Club, Creative Cub Club (Art), and Green Team Recycling. ☒

☒ Increasing reading comprehension and math skills is a daily instructional priority for the instructional staff. As a result, teachers participated in ongoing professional development and weekly common planning with the school curriculum coach and district learning specialist. The professional growth and common planning activities have focused on phonics, small group literacy instruction/workstations, Math RIT groups in all grades, Imagine It! Reading Program, Common Core State Standards in ELA and Mathematics, and in-depth analysis of student and school data. ☒

☒ The staff and Conway community share the mission to provide all children with opportunities to excel in academics and in personal and social areas. The Leadership Team, PTO, community and business partners have worked collaboratively with the staff to provide activities such as Muffins for Moms, Doughnuts for Dads, "Star Ball", and staff appreciation activities throughout the school year. Many activities have brought numerous parents, grandparents, and community members to our school. The partnership between Conway Elementary and Coastal Carolina University continues to grow and provides mentors for identified 3rd -5th grade students. The collaboration and mentoring programs with CCU, HGTC, and Conway High School continue to evolve and bring the school and community together for the good of the children. Other community and service learning activities included Fun Fridays, Jump Rope for Heart, recycling w/ Solid Waste Authority, International Walk or Ride a Bike to School Day, Relay for Life, and Box Tops for Education. CES students are also fortunate to participate in activities sponsored by the City of Conway Recreation Department. Again, Santee Cooper has been a very important Business Education Partner to Conway Elementary. ☒

The vast majority of Conway Elementary parents, staff, and students feel this is a safe school where every child is challenged academically and appreciated personally. It is the mission of CES to continue to strive for excellence and to assure that all students reach their academic potential and recognize their self worth. ☒
