Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Clinton Elementary School serves approximately 390 students in grades PreK through grade 5. The mission of Clinton Elementary School is to prepare students to become life-long learners in order to be successful in a challenging world. Clinton’s parents, staff and community work collaboratively in the decision making process to create a positive and productive climate for students. Learning, in all aspects, continues to be the major focus of Clinton Elementary as we continue our journey of becoming a successful and effective Professional Learning Community. As a Professional Learning Community the staff participated in weekly professional learning team meetings designed to assist in the development of lesson plans and interventions based on the analysis of student work. In addition to these meetings, staff members participated in study group sessions once a week outside of school hours focusing on research based best practices, including reading intervention, explicit-direct instruction, developing polished authors through Six-Traits Writing and many other instructional strategies. The staff of Clinton not only works collaboratively to grow professionally, we also continue to grow teacher leaders. As part of the NetSCOPE partnership, in conjunction with Winthrop University, teachers were provided opportunities to mentor and train interns. They were also provided with a plethora of professional development opportunities in different content areas. In addition to being a partner school with Winthrop University, Clinton also works closely with South Carolina Gateway Project: From Cradle to Career which provides scientific- or evidence-based professional development and training through virtual learning, state-level trainings, and graduate coursework. Clinton Elementary strives to increase student achievement by promoting a collaborative learning environment. With strong support of parents, community involvement, and a dedicated staff, Clinton Elementary continues to serve students ensuring success for each individual child.
