Percent satisfied with school-home relations	69.5%	89.4%	61.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

The 2013-2014 school year began with over five hundred students, sixty-four staff members, and a new administrative team. Our school motto this year was "Teamwork makes the Dream work". Our annual open house was held with over 500 parents participating. Bennettsville Intermediate School continued with the Positive Behavior Intervention Supports (PBIS) program which culminates with students attending specific activities rewarding positive effort and achievement. The Guidance department also held monthly Character Education luncheons rewarding students selected by the teachers. Our teachers' birthdays were celebrated monthly during a faculty meeting with a brief reception in their honor. Our sixth grade students conducted Student Council elections offering advice on student activities and ways to improve our school. Our School Improvement Council (SIC) meets monthly to review our academic programs and school policies. Domtar Paper Company challenged our students to read 4,000 books. Domtar celebrated their success by donating paper and library books to our school. Our PTO meets quarterly and provides parents an opportunity to meet with their child's teacher to review academic achievement. The PTO also supports fundraisers throughout the year. Our students are recognized throughout the year with specific programs highlighting academic achievement. Three of our staff members have received grants totaling over twenty five hundred dollars. Five of our teachers received advanced degrees during the past school year. One of our teachers was selected to attend Roper Mountain Science Camp in the summer of 2014. The Marlboro County Spelling Bee Champion for this year was a fifth grade student in our school as well as the second runner up. We are proud of our students and staff as we work as a team to make the dream come true for all of our students. We have acquired many instructional resources for all classrooms. All of our classrooms have document cameras and fourteen classrooms now have Smart Boards. We have data walls in the classrooms and in the halls along with a data room. BIS also added Fraction Nation, Fast Math, Fast Forward, and USA Test Prep programs to meet the needs of all of our students.

The future of Bennettsville Intermediate School continues to improve. We are committed to making sure that every child has the opportunity for a quality education. Our performance for the 2012-2013 school year with the ESEA/Federal Accountability System had a rating of 2.72 with an Absolute Rating of Below Average and a Growth Rating of Average which equals an At Risk school and is up from the previous year. Thank you for your participation in this partnership. We have great expectations for all of our students next year!

Carl Ransom, Principal
Chair

Vicky Peterkin, SIC
