REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Edisto Elementary School is an educational center that provides instruction in grades three through five, located in rural Orangeburg County. Our mission, through the partnership of school, home, and community, is to create a caring, secure, and positive learning environment that produces imaginative, lifelong learners who will use high level thinking skills to become successful citizens in a culturally diverse society. Our instructional strategies reflect the best practices for implementation of the Common Core State Standards (CCSS) to develop young people that will be college and career ready.

Our curriculum is focused to meet the ever changing needs of our students. We understand that progress is only achieved by developing programs that enhance the learner’s probability for success. We continued to implement computer-assisted instructional programs like Ticket to Read and IXL that encourage our student’s critical thinking process. During this school year, our faculty provided specific interventions in literacy, math, and social behaviors. Targeted students are instructed daily on their level using the Voyager and VMath programs to highlight needed improvement areas. This was the second year for the Brother’s Keeper Club to enable young men to make better choices about their behavior and academics. The Sister’s Keeper Club was formed to assist our young ladies to make more informed decisions about their lives. Other areas of student participation included: Good News Club, Bike Club, Science Club, Healing Species, and GREAT program. Our Honor’s Chorale placed second (2nd) overall competing with thirty-two (32) other choirs at the 2014 Festival of Music at Carowinds.

Parents and family members are encouraged to participate in quarterly Awards Day programs, Harvest Festival, Grandparents Day activities, PTSO student performances, Veterans Day program, Scholastic Book Fairs, Career Day, Field Days, and other special events.

The faculty and staff of Edisto Elementary will continue to provide purposeful learning experiences for our young people. We welcome your suggestions and your continued support is always appreciated.

Thomas M. Drew, Principal

Mrs. Sallye C. Jameson, School Improvement Council Chairperson
