Report of Principal and School

Midland Valley High School is located in Graniteville, South Carolina with an enrollment of 1200 students. Our mission is to promote academic success, respect, lifelong learning, and citizenship. Our stakeholders have made a commitment to provide the most relevant educational opportunities to our students. During the 2013 - 2014 academic year sixty-four seniors graduated with honors, seven seniors were named Palmetto Fellows, and one hundred nineteen students were eligible for Life Scholarships. We were named a Palmetto Gold School for first time, and for the second consecutive year, our Federal Accountability Rating System Grade of 89.4 (B) made us the highest rated high school in Aiken County. The Class of 2014 was awarded 10.5 million dollars in scholarships. ☒

☒

Our students excelled in local, regional, state, and national competitions. In athletics, two students participated in the North/South All-Star softball game, eight students were named to All-State football, basketball, baseball, or softball teams. One student was selected All State Band and the NRJOTC Rifle Team placed second in the SC Junior Olympic Competition earning a slot at Nationals. ☒

☒

Students and staff members are encouraged to support our community and various charities. As a result, over five hundred students volunteered at events that included Special Olympics, Relay for Life, American Heart Association, and the Marine Corps Toys for Tots. Our faculty and staff modeled the importance of community through their charitable donations of \$5418 to Relay for Life, The United Way of Aiken, and The Debbie Knight Fund. Staff members also contributed \$1200 to an area elementary school for our Operation Feed a Kid Program bringing the total contribution to \$5200 over the last three years to four area schools. ☒

☒

We are fortunate to have the support of our School Improvement Council, composed of parents, students, teachers, and community representatives. Stakeholder involvement has directly impacted our ability to make a difference in the lives of our students. Our goal is to build upon the many successes and to continue to provide the best possible educational experiences for our students. ☒

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Midland Valley has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
