Report of Principal and School

Wagener-Salley High School is proud to report that we not only provide an excellent academic program, but also ensure that our students have many opportunities to enhance their learning through a variety of extra-curricular activities. From athletics to academic clubs to just for fun clubs, there is something for every student to explore. In athletics, both our boys and girls basketball teams made the 2013-2014 playoffs. The girls finished 2nd in the region and the boys tied for 3rd in the region. Two of our players were named to the all-state basketball team and one coach was named coach of the year. The War Eagle football team finished with a record of 7-4 and earned a spot in the single A playoffs. Two of our students were named Aiken Standard Player of the Week for Football. Our volleyball team reached the playoffs for the second straight season, our baseball team finished 3rd in the region and our softball team finished 2nd. The WSHS JROTC rifle team finished 8th in the country at the 2014 Army JROTC Service championship and one of our cadets received a silver medal for having the 2nd highest score during the competition. Our FFA Tool Identification and Agricultural Mechanics teams placed 1st in the state and our Make Others Believe (MOB) club founded and hosted the first Perfect Program for self-contained special needs students in Aiken County. While we can celebrate many accomplishments, our focus for the next three years is to continue our efforts toward increasing our graduation rate and our passage rate on the end of course examination. In 2013-2014, we changed our bell schedule and implemented an extensive tutoring schedule as well as a Saturday school program. Early reviews of our EOC scores indicate that we not only met most of the goals that we set at the beginning of the year, but we exceeded them by a wide margin. One of our most important goals for the coming year is to provide our students with the same opportunities that are available to students in larger schools. Adding courses to our curriculum using the new Aiken County Virtual Curriculum allows our students to not only stay on track for graduation within four years, but also to move ahead and advance in their grade. More curricular changes will be implemented in 2014-2015 that will help our students master all the standards for English 1, Algebra 1, Biology and US History and we hope to see more significant gains in our EOC passage rate. Our commitment and efforts toward data-driven instruction paid off in 2013-2014 and we are excited to pilot several new initiatives next year. For our school, the ultimate goal is to work toward an "Excellent" rating on our school report card and be recognized for closing the achievement gap.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Wagener-Salley High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
