Report of Principal and School

The close of the 2013-14 school year marks the completion of the fourth year of our successful implementation of our Academic Achievement Improvement Plan (AAIP). This plan has served as our “template for success” and vision for school improvement with multi-phased initiatives that focus on improving student achievement, enhancing our learning environment, and College & Career Readiness. These components are interdependent, data driven, and create a method of sustainable student achievement improvement.☒

☒ We are proud to report that as a result of the implementation of our plan, BLHS students have demonstrated unprecedented improvement in the areas of academic achievement, student activity participation, and student and parent perception of our school environment. ☒

☒ The 2013-14 school year will be remembered as a year of success with the following significant points of pride: HSAP English (96.4%) & Math (91%) Assessment scores and percent of students passing both tests (90.2%) lead the county for the third year in a row; a 4.1% improvement on our End of Course Assessments; being named as one of “America’s Most Challenging High Schools” by The Washington Post for the fourth straight year; receiving the Palmetto Gold Award for the second time; being named as a “Palmetto’s Finest” Semifinalist; receiving SAT & ACT Magna Cum Laude Awards for Excellent Performance and Rapid Improvement; administering 562 Advanced Placement Exams; earning a SC School Report Card Absolute Rating of “Excellent” in 2012 and 2013; exceeding the ACT Plan, PSAT, ACT, and SAT College and Career Readiness Benchmarks; improving achievement scores for all demographic groups on all state and national assessments; tripling the number of students participating in student activities over the past three years; winning the JROTC Raider National Championship; Student & Parent School Climate Survey results that document that 92% of students feel safe at school and 96% feel that BLHS is a good high school;☒

☒ These achievements are the result of the collaborative investment and deliberate effort of students, staff, our School Improvement Council, and the Bobcat Nation as a whole. On behalf of our School Improvement Council, we take pride in providing these noteworthy accomplishments to the members of the greater Bluffton Community. The “Bobcat Nation” has good reason to be proud! Respectfully submitted by:☒

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	90.7
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Bluffton High has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
