DEFINITIONS OF SCHOOL RATING TERMS

- Excellent - School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good - School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average - School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average - School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk - School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

Report of Principal and School

The 2013 - 2014 school year was another successful year at Manning High School. There were 38 honor graduates in the class of 2014, which equates to 21% of our graduating seniors earning at least a 3.62 cumulative average during their high school career. Fifty three students qualified for either Hope or Life Scholarships, which will provide \$2800 - \$5000 per year towards tuition at any in-state institution, provided that the student is able to maintain a 3.0 grade point average. Students in our graduating class of 2014 earned \$3,240,575.00 in scholarships to post-secondary institutions.

Manning High School is enthusiastic about our students' enrollment in the College Credit Program through Central Carolina Technical College. We had more than 25 students enrolled in Dual Credit Courses, with many students graduating from Manning High School with more than 12 hours of college credit. The credits that they earn will transfer to any public or private college in the state of South Carolina and to many colleges outside of the state. Dual credit courses are offered at no cost to the students.

Manning High School continues to utilize the APEX Learning System to assist student who struggle academically. Students participating in our credit recovery program make use of this software in order to facilitate learning in areas where they are found to have deficiencies and receive the credits needed for on time graduation. Summer School students also use the program in order to take courses for initial credit. By using this software in our enrichment programs, we hope to increase our graduation rate and lower failure rates.

Manning High School is committed to improving teaching and learning by incorporating the use of technology in our classrooms and lessons. We're looking forward to the transformation of teaching and learning that will be brought about through the implementation of one-to-one technology in the upcoming school year as a part of the Carolina Consortium for Enterprise Learning. Currently, all of our classrooms are outfitted with SMARTboards and Promethean ActivBoards which are designed to increase student engagement and promote critical thinking. We have two computer labs consisting of at least twenty five computers each and all are connected to the Internet by high speed connections. Manning High also has a mobile computer lab with Chromebooks that are networked. Our building is completely Wi-Fi, allowing access to the internet throughout our entire building.

We're also very excited about the implementation of the AVID Learning System. AVID, Advancement Via Individual Determination, is a school wide transformation effort focused on leadership, systems, instruction, and culture, and is designed to increase the number of students who enroll and succeed in higher education and in their lives beyond high school.

The 21st Century has already presented an array of challenges for our local community, state, and nation. Our society recognizes that education is key to creating a skilled work force, which is essential to our future prosperity. With this in mind, the faculty and staff at Manning High school are continuously involved in professional development activities that will improve instruction and help create learning experiences that will produce positively contributing members of our local community.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Manning High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
