## Report of Principal and School

Summerville High School has had another great year! We scored EXCELLENT on the Absolute rating of our school report card and showed overall gains in almost every single area. We also earned Palmetto Gold for academic performance and Palmetto Gold for closing the achievement gap. We are pleased with our progress, but we remain determined to get even better. We strive daily to prepare our students to be productive citizens and lifelong learners. Our goal is to arm our students with knowledge, skills, attitudes, and habits they need to become successful in their future endeavors. We realize that our efforts are shaping our country's future leaders. With visionary leadership of Dorchester District Two and its school board, as well as the unwavering support of the Summerville community, the administration and staff of Summerville High School are able to creatively and proactively embrace new and better programs and opportunities for our students. ☐

☐

First and foremost, we strive to develop academic programs that help to prepare our students for our modern technologically advanced world. We offer an Early College Program, an Accelerate Engineering Program, a STEM Academy, dual enrollment opportunities, a wide variety of Advanced Placement classes, and extensive testing to ensure that our students can compete for admission into colleges and/or the workforce. Furthermore, SHS promotes a strong athletic and fine arts program to motivate students to be involved in their school and to develop their skills, talents, and ability to work as a productive member of a team. Summerville High School is EXCELLENT! This is a result of the efforts of many dedicated educators, a powerfully supportive school board and community, and loving parents who instill in their children a love of learning and an appreciation for education. May we continue to celebrate the many successes of our children. ☐

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>85.9</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Summerville High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
