Report of Principal and School

During the 2013-2014 school year, we continued to empower our students with a challenging learning environment that encouraged high expectations for success. We continued to implement strategies, interventions, and instructional practices that were necessary and relevant to move our school academically.

□

Our 2013 Annual School Report Card reflected an improvement in our school's progress towards academic excellence. Additionally, our school received the Palmetto Silver Award for closing the achievement gap between subgroups of students for the second consecutive year. More importantly, we continued to improve on our passage rates on the End of Course and HSAP Assessments and continued to create a culture of high expectations for our students.

□

The 2013-2014 graduating class consisted of 132 graduates, of which, thirty six were Honor Graduates, and forty qualified for a Life Scholarship. Additionally, we improved our four year graduation rate to 78%. The class of 2013-2014 also received \$4.2 million dollars in scholarships.

□

Our school was designated as a Title I school for the 2013-2014 school year. The Title I Funding enabled our school to provide opportunities for students to acquire the knowledge and skills necessary to meet challenging State Content Standards.

□

The faculty and staff of Woodland High School are committed to developing life-long learners who will have a positive impact on our global world.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	88.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Woodland High school has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
