Report of Principal and School

Kingstree Senior High School is located in the small rural town of Kingstree, South Carolina. The mission of Kingstree Senior High School and its stakeholders is to provide every student with a challenging curriculum, highly qualified teachers, and a safe and healthy learning environment. The purpose of Kingstree Senior High’s mission is to maximize students’ growth and development so that they can become productive citizens in a global society.

Kingstree Senior High made significant progress towards student achievement and climate goals set. In 2013, the school improved their absolute rating from below average to average; and the school’s growth rating remained at average. The school’s High School Assessment Program (HSAP) passage rate in 2013 improved to 83.6% from 79.4% in 2012.

Kingstree Senior High offers twelve career clusters. The school also fosters parent and community support to meet continuous school improvement efforts.

Kingstree Senior High is a comprehensive high school that continues to improve student achievement by partnering with Williamsburg Technical College to offer dual credits, which are courses that could be used towards college credits. The school also offers our students shadowing of business leaders in the community, transiting opportunities, an after school program sponsored through Gear-Up a program designed to help students transition into high school, acceleration and remediation opportunities, and credit recovery to recover courses so students will have the opportunity to graduate on time.

A junior at Kingstree Senior High was the recipient of the Margret Greg Chapter Daughters of American Revolution award, among many other student achievements. Also, the girl’s varsity basketball coach was selected by the South Carolina Athletic Coaches Association as the 2013-2014 Coach of the Year.

Establishing full parental and community involvement has continued to be a challenge for our school. This is due to our inability to establish a fully operational PTSA and SIC.

Kingstree Senior High has a committed staff that works diligently to meet the needs of our students. We would also like to acknowledge and thank our students that were motivated to learn and achieve in an effort to improve our school. We are also grateful to the parents and community leaders who showed their continued support.

Mr. Alex Gordon, Principal Ms. Norma Cyrus, School Improvement Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
