Report of Principal and School

C.E. Murray High School is located in Greeleyville, SC. The school has a history of academic, athletic, and cultural excellence. All staff members are highly qualified caring individuals who provide a safe, clean, and academically enriched environment for our children. Our goal is to ensure that all students, who graduate from C.E. Murray High School, are college and career ready.☐

☐
 In May 2014, 87.3% of our seniors graduated. We have fully implemented the HSTW and MMGW comprehensive academic programs and are accredited by AdvanceED until 2017. Our students have made consistent gains on national and state assessments over the past four years. Beginning with the 2011-12 term, the school has received the State Palmetto Gold and Silver awards. During the 2013-14 school term, C.E Murray High School was recognized as a “Cool School” by Channel 2 News for its mentoring and character education programs. Since the school is a Race to the Top Carolina Consortium for Enterprise Learners Grant recipient, all students and staff members will receive one- to -one electronic devices. The goal of the grant is to provide the opportunity for students to become Enterprise Learners who will be able to develop, pursue, and attain rigorous learning and living goals that will prepare them for college, careers, and citizenship. All administrators and teachers will engage in professional development that will improve their skills in providing engaging and rigorous personalized standards-based curriculum, instruction, and assessments to address the needs and interests of each student. The school is in its third year of implementing a 21st Century Community Learning Center after school grant. The school is also the recipient of the SC HEAP and GEAR-UP grants. Some of our accomplishments for the 2013-2014 school year include: one student who was recognized as a National Honorary Legislative Page; six students were selected as Williamsburg County Youth Leaders and attended the leadership conference in Washington; several students won numerous district and state awards for their artwork; several clubs and organizations received numerous commendations and awards for donating/volunteering for Foster Care Agencies and nursing homes, sponsoring Toys for Tots and Pennies for Patients Campaigns, and for supporting Vital Aging and the Red Cross Blood Drive; FBLA students placed 1st-4th in both district and state competitions. The school’s JROTC program earned the Army’s “Honor Unit with Distinction” award and Presented the Colors at the December State Board of Education meeting in Columbia. In athletics, the school’s Junior High Girls Basketball team won the Upper Pee Dee Championship, three young men received full football scholarships, one student won the state track championship, and one young man was the number one running back in lower state football, made All State, the Carolina Champion team, and played for the South in the North South game. Although consistency in student achievement and motivation, along with building meaningful enduring productive parental and community relationships, remain challenges for the school, we are making progress in these areas. We will continue to focus on involving our parents and community members in our efforts to provide meaningful and appropriate educational experiences that will prepare our children to be responsible citizens and lifelong learners in this global technology rich society. We embrace the concept that all students can learn when given the opportunity and time to engage in relevant, meaningful, challenging, and appropriate academic activities that will meet their present and future needs. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.9
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

C.E. Murray High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School. Non-Title I School - therefore the designations above are not applicable.
