Report of Principal and School

Palmetto Scholars Academy provides a differentiated program designed to meet the educational needs of intellectually gifted learners, address their distinctive social and emotional needs, promote individual character development and instill a life-long love of learning. Our students engage with leading innovative organizations in higher education, business and science, to empower them to make original and impactful contributions toward the elevation of South Carolina in the areas of education, commerce, arts and science.

Our students come together from all areas of the LowCountry, including Berkeley, Charleston, Colleton, and Dorchester Counties, and represent a diverse population in terms of ethnicity, religion, and socioeconomic status. In order to meet the school’s mission, all students are in honors or advanced courses, and flexible scheduling allows faculty to meet the individual needs of each gifted learner. Visitors to the school would likely see cooperative groupings, discussion, debate, seminars, and inquiry-based learning as they walk the hallways. Most faculty have advanced degrees and all are dedicated to providing research-based, student-centered instruction for gifted learners. The development of our curriculum is facilitated by nationally recognized leaders in the field of gifted education who ensure that the latest research on best practices in gifted education is incorporated at all grade levels.

During the fourth year of operation, students at Palmetto Scholars Academy made tremendous positive gains, continuing to excel in statewide assessments, being selected as the first school in South Carolina to send a student research experiment to the International Space Station, being selected as a NASA Partner School through the College of Charleston’s NASA Consortium, and having several teachers selected for participation in highly sought after teacher education programs including a social studies teacher who was selected for participation in the Library of Congress’s teacher education program in Washington, DC. Community service requirements have expanded during the 2013-14 school year, and PSA continues to work supporting local charitable events on a regular basis.

The school community, which consists of faculty, staff, students, and supportive parents, is proud of the great accomplishments and successes that Palmetto Scholars Academy has been able to achieve in only four years of operation. An active parent organization, partnered with a long-range strategic plan, ensures a successful vision for our school’s future as South Carolina’s first public charter for gifted education. We are driven by our mission and strive to maintain the highest of standards in order to meet the unique needs of gifted learners.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	100.0
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
