Report of Principal and School

The academic year 2013-2014 represented Midlands Middle College's first official year as a SC Public Charter High School, authorized by the SC Public Charter School District. Located on the Airport Campus of Midlands Technical College, Midlands Middle College (MMC) offers a non-traditional approach to public education. MMC students are enrolled in grades 11 and 12 and attend school from 11:00 AM-5:00 PM each weekday. MMC began the year with 9 staff members, all new to the charter school environment but experienced in working together to achieve success for its diverse students. The first official board election occurred in October, 2013, and the newly elected/appointed Board of Directors has provided the consistent support and guidance required to foster stability in the school's transition process.☐

As a public charter school, Midlands Middle College (MMC) has continued to promote academic success for 11th and 12th grade students throughout the Midlands of SC, focusing on college and career preparation and readiness. This focus has been highlighted by MMC's selection as a TransformSC school, gaining the support of organizations such as New Carolina and AT&T. As a TransformSC school, MMC has launched professional learning opportunities to introduce teachers to project-based learning with the goal of implementing this student-centered curriculum during the 2014-2015 school year. In addition, MMC has offered opportunities for enrollment in classes at Midlands Technical College, and enrolled students completed from three to fifteen hours of college credit with an average GPA of 2.7. ☐ MMC has developed various partnerships which strengthen the school's efforts to promote college and career readiness opportunities for all students. Midlands Technical College and the Midlands Education and Business Alliance provide primary sources of strength. In addition, community volunteers provide hands-on workshops and presentations to foster the development of real-life skills for MMC students. Both business and community leaders visit MMC to share knowledge and first-hand experiences regarding state and global economic requirements. ☐

MMC held its first official graduation on June 6; forty-eight seniors were awarded diplomas. Ninety percent of these graduating seniors plan to attend a two-year college; ten percent plan to attend a four-year college or university. Two of the graduating seniors received the President's Award for Academic Excellence, an award based on high academic performance. These two seniors are eligible to receive the Palmetto Fellows Scholarship. Nine of the seniors are eligible to receive the Life Scholarship. MMC's first graduating class was awarded \$320,900 in scholarships.☐

The MMC Board of Directors, staff, and students are committed to developing a model charter school which will produce graduates with skills ready for college and career. Further, we are dedicated to fostering a school environment which focuses on student academic achievement and social responsibility.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Midlands Middle College has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
