Report of Principal and School

Coastal Leadership Academy opened its doors for the first time in the fall of 2013. The 107 students attending were greeted by 10 new faculty members and 4 staff members. The newly remodeled facility offered a coffee house style café, learning plaza, six classrooms, a science lab and ten teacher offices. Students were delayed in starting by two days due to a faulty fire panel, but on August 28, 9th-12th grade students unloaded from the car line wearing “Dress for Success” uniforms to become the inaugural class of Coastal Leadership Academy.

Coastal Leadership Academy quickly began to develop its unique environment. The many talented musicians among our student body were showcased in our Open Mic Night. This tradition became a favorite among the students. Our Fall Hoe-Down hosted by our parents was a fun evening event that students came out to enjoy as well.

We were also delighted to welcome Dr. Mick Zais as we dedicated our science lab to Mr. Nathan Yon, a charter school principal who passed away in 2013 before being able to open his school. This bitter-sweet moment allowed time to thank the people who had put forth effort to help open our own school.

As a technology integrated school, we faced many trials the first semester with our wireless network. We had overloads and some days we had no Internet access at all. With a one-to-one environment, some of our challenges seemed almost insurmountable at times. In December, we found a new system that has been more reliable. Second semester looked more like what we had envisioned both with technology and Project Based Learning.

During second semester, our teachers were able to implement teacher created Project Based Learning lessons. We saw student creativity come alive during our Great Gatsby project and Shark Tank Showdown.

Science students were able to participate in the Science Olympiad this year as well as the county Archery tournament. Our Science team placed 10th in the state and our Archery team took 4th place for the county.

Our students enjoyed themselves as we held our first school-wide prom at Ripley’s Aquarium. Dancing, food and fish exhibits made a magical evening for all attendees, chaperones included! The First Annual CLA Variety Show was a fun way to wrap up our year. Our students showcased their talent and had fun in front of an audience.

As the end of the semester arrived, our school prepared for the SC End of Course Exams. We did have a few nervous students and teachers, but we were very excited to find out that 100% of our students passed the Algebra I, Biology and American History Exam. 94% of our students pass the English I Exam. For a first year school, this was a cause to celebrate! Our last celebration ended the year with our first graduating class. We had seven seniors walk across the stage to receive the first Coastal Leadership Academy diplomas. It was an incredible moment as the first year came to a close and these strong, bright young men and women step into the next stage of their futures. They are the Leaders of Tomorrow! Our CLA Archers-Class of 2014!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Coastal Leadership Academy has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
