REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

Westside High School, An Early College Academy, is embodied by our Mission Statement which is to educate all students with the knowledge and skills to be lifelong learners, to provide opportunities that ensure students are college and career-ready, and to produce graduates who contribute positively to an ever-changing global society. Westside High School, an Early College Academy, is located in Anderson, SC, consists of approximately 1730 students.

We provide our students with educational opportunities through a vast array of programs that include rigorous academics, competitive athletics, and excellent visual and performing arts. The faculty, facilities, and programs on our campus are funded through a variety of sources that support our school's purpose and direction. Our Ninth Grade Academy has shown promising results by providing support and direction for freshmen students in a smaller learning community. We have an established AVID program that offers students in the academic middle, many of whom will be first-generation college students, the opportunity to engage in a rigorous high school curriculum with support. Our curriculum also offers nine Advanced Placement courses. As an Early College Academy, many of our seniors are graduating with college credit hours.

Westside has 130 faculty and staff members. One hundred percent of our teachers have been exposed to AVID training through school-and district-based professional development and approximately half of the faculty has attended national AVID training. Of the 289 seniors receiving a diploma, 96 were honor graduates and 8 Palmetto Fellows. The seniors were awarded \$12,353,793 in scholarships.

The faculty and staff of Westside High School, An Early College Academy, appreciate cultural diversity, unite in support of democracy and believe all students can experience success.
