REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As the only magnet high school in Berkeley County School District, the Middle College has successfully completed its fourth year. Our student body increased from 93 students in year three to 102 students in year four. Two of our seniors received Associate Degrees from the college nearly a full month prior to receiving their high school diplomas. Two students received Certified Nursing Assistant credentials, one student received a Patient Care Technician credential, and three students met the requirement for Pre-Nursing Certificates from the college.

Our students collectively attempted 592 dual credit college courses with a success rate of 94%. Our US History EOC scores are among the highest in the district. The Class of 2014 earned \$838,000.00 in scholarships. Our students participated in the Quest academic competition, Beta Club, National Honor Society, Fellowship of Christian Athletes and various service learning/community service projects. Eighty-five percent of our junior class participated in job shadowing and 46 or 47 seniors earned a WorkKeys credential. Our academic intervention program was a tremendous success in supporting our students as they achieved a 99% pass rate in all high school classes.

We are located on the Berkeley Campus of Trident Technical College and serve students from the district's seven comprehensive high schools. Our partnership blends high school and college course work to provide students with rigorous academic pathways, comprehensive guidance support and job shadowing, as well as multiple opportunities each week for academic tutoring and advisement.

At Berkeley County Middle College High School, it continues to be our joy to help students begin their transitions into higher education and bright futures.
