Baptist Hill Middle/High School (BHMHS) continues to make systemic progress. On the 2013 report card, our high school was rated Good (with an excellent improvement rating) for the first time since the accountability system was established. We earned the Palmetto Gold Award for academic progress from the State of South Carolina. The programs we have put in place such as Operation Success and the Academy to offer additional academic support during and after school have contributed to the success of our school. In addition, we started our Failure is Not an Option (FINAO) Incentive Program to reward students for their grades and conduct.❏

BHMHS provides a comprehensive curriculum aimed at giving our students the most important gift an institution of higher learning can provide—the tools for opportunity and choice in their post-graduate lives. For our students, we offer a rigorous curriculum of core classes complemented by opportunities in the arts, technology and career-oriented classes. This year we will increase our post-graduate academy by adding more Advanced Placement (AP) classes, pre-engineering for middle school students, art and drama. We also offer our students dual high school and college credit opportunities through our partner Trident Technical College, St. Paul's Campus.

At Baptist Hill, we are proud of our tradition of serving our sea island communities since 1948 and we are looking forward to serving students and the community for years to come. At Baptist Hill Middle/High School, we believe in Success by choice...Not by chance!
