REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

We are proud of the progress of North Charleston High School (NCHS). This school year has been one of our best years. Our “Report to Parents” is presented to highlight some of the activities, events and accomplishments of the past year. Parents and guardians thank you for allowing your child to be a part of our efforts to keep NCHS a vital part of the community.

As this school year is rapidly coming to an end, we can boldly state that North Charleston High School has made great strides. We are making significant progress in all tested areas and continue to maintain a school climate of respect. NCHS continues to make gains in student academic performance, a steady increase in student attendance and a decrease in school discipline referrals. We are confident we will again make excellent growth on the state report card.

Often, public perception does not match the reality of what occurs in a school. At NCHS, we can proudly say that our students are terrific and the staff is second to none. The students overcome numerous obstacles and the staff work diligently in assisting students to overcome these obstacles to reach their full potential.

We as a faculty and staff can assure you that sending your child to NCHS is not a mistake; quite frankly, it may be the best decision you can make. As a student at NCHS, you will have outstanding teachers, a safe/orderly environment in which to learn, and a qualified support staff to assist you along the way. We can honestly say that North Charleston High School is the right choice to educate your child.
