**REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL**

Phoenix Charter High School operates under the auspices of Clarendon School District Two. Our mission mirrors that of the district, which is "Educating Children".

During the 2013-14 school year, our total student enrollment was 57 students in grades nine through twelve in the rural area of Clarendon County. Our students benefit from a small environment in which they receive individualized instruction. We strive to build self-esteem and instill confidence in students who have lost faith in their ability to learn, who have social issues with their peers, and who are generally school resistant. Our parents are supportive of our school as is demonstrated in their attendance at parent conferences and school sponsored functions.

Our goal is to prepare divergent learners with the necessary skills to become productive in a work-ready community. In addition to offering tutoring for HSAP and EOC, we offer tutoring in ASVAB, ASSET, and WorkKeys. To this end, we utilize community resources such as DHEC, DSS, Mental Health, Alcohol and Drug Abuse, F.E. Dubose Career Center, and Central Carolina Technical College for assistance and counseling.
