REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

The 2013-2014 school year has been filled with successes that our entire school community can take pride in. It is always our goal to increase student achievement at Hunter-Kinard-Tyler, and through this era of great educational change in South Carolina that continues to be our focus.

Hunter-Kinard-Tyler High School was again identified as a Palmetto Gold School for 2012-2013 in the areas of general academic performance and closing the achievement gap. In addition, HKT High School was identified as one of South Carolina’s 68 “Superstar” schools by Dr. Mick Zais, South Carolina State Superintendent of Education. HKT Middle School was identified as a Palmetto Silver School based on 2012-2013 P.A.S.S. scores in the areas of general academic performance and closing the achievement gap. I want to applaud our students, our parents, and especially our teachers for your effort in increasing student achievement.

Athletically, Hunter-Kinard-Tyler High School won its first ever football state title. Our football team was crowned the 2013 Class A Division II State Champions. In addition to football, our boys’ basketball team reached the 3rd round of the state basketball playoffs. We are truly proud of all of our sports teams, as we realize that there are important lessons that students can gain from participating in sports.

The 2013-2014 school year also marked the return of the band program at HKT. The “Carolina Blue” participated in parades, drum line competitions, pep rallies, and they traveled with the football team throughout the season. The band offers another option for students to participate in extracurricular activities at HKT and to gain lessons and soft skills that many employers and colleges are looking for within their employees and students.

Everything we do here at Hunter-Kinard-Tyler is to prepare our students for experiences and goals that they will face in life. We will continue to teach our students in the classroom, on the playing field, and other extracurricular activities as they prepare for life. Although 2013-2014 was a very successful school year, we continue to solicit your support as we transition to the common core era. Common core marks a stark change in the teaching and learning process and we are hopeful that we will continue to experience academic success at HKT.
