Report of Principal and School Improvement Council

McCants Middle School is a wonderful place for our students, staff, and teachers. For the 2013-2014 school year, we offered challenging and engaging instruction to ALL students. Excellence and high expectations remain our primary goal as we engage in continuous improvement in academic achievement. In April 2013, McCants Middle School was authorized as an IB World School offering the MYP in grades 6-8. This recognition was a significant accomplishment for our students, staff, and parents. Through the IBMYP students engage in scholarly pursuits while participating in eight subject groups integrated through five interactive areas providing global contexts for learning. Our goal is to raise the academic achievement level of all our students through the philosophy of providing a "STUDENT CENTERED EDUCATION."

We continue to seek new instructional strategies to move all students to their greatest academic potential and encourage them to become successful self-directed learners. We are proud of our PTA and School Improvement Council. Our PTA has provided funds for instructional materials, school-wide activities and numerous treats that demonstrated teacher and staff appreciation. The PTA, School Improvement Council and administrative staff continue to increase and provide opportunities for parental involvement.

We are pleased with our many commendations; however, it is our challenges toward which our greatest efforts will be directed. We will continue to focus on closing the achievement gap so all students perform at the exemplary level. Secondly, all teachers will stand up to the challenge of using data to make decisions that will improve student achievement. We will continue to work together to provide quality learning experiences for all students.

The school culture and climate of McCants Middle School is regarded as safe and friendly with a high rate of student, parent, and staff satisfaction with the school environment. McCants follows a model of high expectations and continuous improvement as we strive to be on the cutting edge of student achievement.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	80.9
Overall Grade Conversion	B

90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
