**Report of Principal and School Improvement Council**

Hilton Head Island Middle School, an authorized International Baccalaureate School of the Middle Years Program, is located on the north end of the beautiful Hilton Head Island with outstanding parental support. The extensive work of so many dedicated parents of our Parent Teacher Association allowed us to increase opportunities of our students beyond the academic classroom. In addition to after school clubs this year, 9 students were elected to the all-county band and our Honors Orchestra participated in the USA music festival, receiving a superior rating. HHIMS continued to have a record of success at the Regional Science Fair. This year's students received the following honors; 16 students received honorable mention awards, 2 students received 3rd place awards, 2 students received 1st place awards, and 1 student placed 1st in Best in Show. The 2013-14 athletic teams had successful seasons in football, cheerleading, basketball, volleyball, wrestling, baseball, softball and track.

☐

In an effort to help students struggling with course work, we were able to employ 4 embedded tutors to make sure all students were able to achieve at their highest level. HHIMS also implemented RISE (Reassessment, Intervention, Service and Enrichment). This allowed the opportunity for teachers to differentiate for all students. As we continued to prepare our students to succeed as global leaders, we were elated to offer Chinese again this year and look forward to expanding the program in the coming years. Although we still have areas of improvement to overcome at each grade level to help our students achieve at higher levels on standardized testing, we are appreciative of the many professional development hours our staff participated in during the school year, as well as the many hours our instructional coaches and administrators put in to prepare for the professional development opportunities. We will continue to remain focused on preparing our students to be successful in an ever-changing world.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>64.9</b>
<b>Overall Grade Conversion</b>	<b>D</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Hilton Head Island Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
