Report of Principal and School Improvement Council

Colleton County Middle School continues to infuse STEM best practices: Connections, Communication, Collaboration, Critical Thinking, Creativity, Continuous Assessment, and Tools of Technology into the curriculum. Colleton County Middle School is further delighted and excited that it is the first public inclusive school in the state to be selected for participation in the Student Spaceflight Experiments Program (SSEP). Through SSEP, student constructed experiments from across the nation are transported to the International Space Station where astronauts conduct them during an orbit. Our 6th grade Tuskegee students are avidly working in teams to dream up, design, and propose experiments that they would like to see carried out in space. Student teams will compete to fly an experiment in low earth orbit in a real research mini-laboratory reserved just for our school community. Beyond all this excitement, STEM continues to focus on 21st Century Skills in the curriculum through probing questions and constructing explanations, defining problems and designing solutions, using models, investigating, analyzing, and interpreting data, and engaging in arguments from evidence.

?

?

Our teachers here at Colleton County Middle School are encouraged to foster a love of learning within our students. Staff development has been provided regularly to ensure that the implementation of Common Core State Standards are ongoing and on target. Students are provided unique and personalized learning experiences through a varied and rigorous academic environment that meets the needs of all learners. Our school-wide program is dedicated to improving the lives of our students through our three unique schools of study. The Tuskegee Airmen 6th Grade Learning Community actively focuses on literacy throughout the content area, while providing that essential transition from elementary to middle school. The ACE Basin Natural Resources School embraces the integration of wildlife, natural resources, outdoor skills and conservation education. The Low Country School of the arts focuses on the infusion of the arts throughout the curriculum. This curriculum includes music, visual arts, movement and other forms of cultural expressions.

?

Our goal at Colleton County Middle School is to continue our rigorous academic curriculum to provide diverse learning experiences and extra-curricular activities for our students. We strive to increase the use of technology to enhance instruction and parental involvement, as well as, assist our students in becoming life-long learners and productive citizens. We encourage members of the community to join our team at CCMS as students learn today so that they may lead tomorrow. With the continued support and partnership we share with all of our stakeholders, we look forward to another exciting and rewarding year in continuing to build the very best middle school ever.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	62.1
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Colleton County Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
