Report of Principal and School Improvement Council

The 2012-2013 school year has been a great one at Latta Middle School and we have many accomplishments to be proud of.

?

This is our fifth year of offering Algebra I to all 8th grade students. Our results on the End of Course Exam have shown tremendous gains, and we continue to score well above the state average. We are now offering Physical Education and Keyboarding for high school credit, as well.

?

We have continued with the Viking Laptop Academy. Through this initiative we have issued a laptop to every eighth grade student and provided the services of an Instructional Technology Coach to strengthen the technology proficiency of both students and teachers.

?

We are in the fourth year of growing the school's Gifted and Talented Art Program. Three of our students were selected as Junior Scholars.

?

We were able to achieve these levels because of the efforts of an excellent teaching faculty, the support of our parents, the efforts of our students, and the trust that exists between the schools and the people of our community.

?

While we have accomplished a great deal this past academic year, we look forward to the challenges of the 2014-2015 school year.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.9
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Latta Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
