Report of Principal and School Improvement Council

Harleyville-Ridgeville Middle School is located thirty minutes from Charleston, South Carolina in Dorchester County. The family atmosphere of our rural community nurtures and maintains an environment of continuous learning. The nurturing and caring environment our teachers foster for our students plays a large role in our success. Teachers have high expectations for our students and therefore have high expectations of themselves in terms of creating a positive learning environment and delivering high quality instruction on a daily basis. During the 2013-2014 school year, Harleyville-Ridgeville Middle School entered year two as a TAP school. The ultimate goal of TAP is to raise student achievement. In order to accomplish this goal, emphasis has been placed on professional development and instructionally focused accountability to ensure our teachers are improving their instruction and the achievement of our students.

?

This year, several new programs were implemented to assist our students academically. The MATH 180, and READ 180, programs are used as intervention programs to address the individual needs of our struggling students. Digits, Science Reading Essentials, Yearbook, Music, and i-Civics were also added to the curriculum. Study Island, a computer assisted instructional program, is still used to reinforce core content area standards in our computer labs, while teachers use their Smart Boards, i-Pads, Smart Response Systems, and Chrome books for interactive lessons.

?

Some highlights of the school year included our A/B Honor Roll Incentive Field Trips, where we celebrated the success of our students in academics each quarter. Our students also participated in "Job Shadow Day" to experience the work environment of jobs of interest. The H-RMS Robotics Team also participated in District level competitions. We also inducted sixteen students into the National Junior Beta Club.

?

Harleyville-Ridgeville Middle School is a small community school where our parents and community members play a vital role in our school's achievements. Our parents, grandparents, and community members take an active role in the school by volunteering to be on the School Improvement Council and by joining us for our Academic Nights, Title I Planning Meetings, Veteran's Day Program, Community Open Houses, and H-RMS sporting events. We are proud of our students, faculty, administrators, parents, and community members for helping to ensure that Harleyville-Ridgeville Middle School is successful. Together we will continue to display our Panther Pride.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Harleyville-Ridgeville Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
