Report of Principal and School Improvement Council

We are extremely proud of our accomplishments for the 2013-2014 school year. We appreciate the support of our parents and community. We are also grateful for the involvement of our PTO and SIC. Their dedication and commitment to our school has had a positive impact on our students. Carvers Bay Middle School continues to provide an academic environment of high expectations for learning. Our objective remains for all students to have a positive learning experience and become lifelong learners. Students have worked hard this school year, and we continue to see growth. CBM continues to provide support to teachers through the use of a school level curriculum coach as well as district level curriculum coaches for each content area including technology. Our school remains vested in Professional Learning Teams that meet weekly to develop long and short-term goals regarding instructional practices to ensure student achievement.

☐
☐

This school year our main focus was continuing with school and district initiatives already in place. These initiatives are PBIS, Balanced Literacy in ELA, utilizing content area pacing in all areas, and the use of common assessments and MAP testing to assess students’ progress throughout the year. The data provided from these assessments helped teachers develop plans for addressing identified areas of weakness and adjust instructional practices to move students towards the desired learning goals. With an emphasis placed on integrating technology into lessons, the new district technology coach was instrumental in helping teachers by visiting classrooms, modeling the use of new and engaging technology, and meeting with teachers to plan new ways to implement multi-media.

☐
☐

During the upcoming school year, an emphasis will be placed on closing the achievement gap, maintaining a safe and nurturing environment for all students, and the implementation of the S.C. Common Core Standards. With the continued support and assistance of parents, community, and staff, we will provide the students of CBM the opportunity to receive the best education possible.

☐
☐

Again, we extend our gratitude to the PTO and SIC committees which continue to support the efforts of our students, staff, and teachers. We would also like to express thanks to our teachers, staff, parents and community members for their commitment to hard work and their continuous efforts in school improvement which assuredly will result in academic gains for each student at CBM. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Carvers Bay Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
