Report of Principal and School Improvement Council

Ralph Chandler Middle School has been serving the families in the Simpsonville and Fork Shoals communities since 2008. RCMS is a family-friendly school where parents, community, and staff work to create a school climate that fosters academic rigor, high expectations, and well-rounded youth. The school enrollment is 700 plus students and has grown steadily since we opened. 100% of our staff is highly qualified. This staff consists of 34 teachers, 7 support staff members, and 3 administrators. We are proud to have 3 teachers who hold National Board Certification and over 65% of our staff hold Master's degrees. Our most recent state assessment shows that more than 80% of our students met or exceeded the standard in ELA and Math. Teachers continue to use technology as an integral part of daily instruction. New strategies like project-based learning, interactive notebooks and various hands-on activities provide learning experiences that promote engagement and creativity. Staff members consistently meet to analyze data which includes reviewing formative assessments, benchmark tests and MAP scores. This allows us to provide rigorous academic experiences for our students, and continues to be the foundation for professional development for our teachers. RCMS is proud of the many accomplishments of our students. 60% of our students were recognized on honor rolls during the year; 64 7th graders qualified for the Duke Talent Identification Program; 250 of our students were enrolled in advanced classes; and 17 8th graders were named Junior Scholars. The data analysis also allowed us to create mentoring and enrichment programs for students who needed additional assistance. Our band/strings programs continue to achieve excellent ratings at state and regional events and our drama department produced two shows this year. 4 out of 9 of our athletic teams qualified for the playoffs. 50% of our students and parents participated in student led conferences held twice during the school year. Our school continues to receive extra support from the PTSA and SIC. Teachers were awarded \$8,000 in grants to support instruction and to purchase equipment to enhance teaching and learning. SIC collaborates with teachers and staff to support the efforts of the school to respond to the needs of families and works proactively to build parent-school relationships. Classes will be offered to the parents during back to school events to foster parental involvement. In an effort to help students understand how they can become active members of their community, programs such as the Giving Tree, an annual blood drive, fund raising for the Humane Society, and our Quarters for Christmas were created as opportunities to meet this goal. Our mission, vision, and goals support our work to raise academic achievement for our students. We strive to meet all of the needs of our students: academic, social, developmental and emotional. For further information concerning our school, please visit our website at <http://www.greenville.k12.sc.us/chandler/>.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	82.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Ralph Chandler Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
