Report of Principal and School Improvement Council

Dutch Fork Middle School students and staff continued their tradition of excellence during the 2013-2014 school year by earning an "A" rating under the federal accountability system and an Excellent rating on the state report card. Our PASS and EOC scores were above the state average, and the South Carolina Department of Education again awarded Dutch Fork Middle School a Palmetto Gold Award for outstanding student achievement. ¶

¶

Our students continued to earn exceptional honors and recognition for their achievements. This year, Dutch Fork Middle School had eight seventh grade students recognized as Duke TIP scholars and 95 eighth grade students recognized as Junior Scholars. Our Mock Trial Team finished fourth in the state and was invited to participate in the Battle of the Carolinas, where they competed against the top teams in North and South Carolina and finished sixth. In addition, they were invited by the South Carolina Bar Association to participate in a training video that would be used to help prepare other middle school mock trial teams in the state. ¶

¶

Dutch Fork Middle School's football team finished the season with an 8-0 record, capturing their second consecutive championship. Both the girls' and boys' basketball teams made it to the semifinals, and our track and wrestling teams enjoyed very successful seasons. ¶

¶

This was another award-winning year for our Fine Arts Department as well. Our seventh grade band received all Superior ratings at the Carowinds Music Festival and our eighth grade band received all Superior ratings at the SC State Concert Festival Assessment, the highest score possible. Orchestra students were just as impressive, with both seventh and eighth grades scoring Superior at Concert Festival and Carowinds.¶

¶

The Dutch Fork Middle School faculty and staff elected Kimberly Shealy as the 2014-2015 Teacher of the Year and Marcus Metze as the Support Employee of the Year. These two individuals consistently exceed expectations and lead the faculty and staff by example. In addition, Kristi Grooms, one of our eighth grade English teachers, received the prestigious Milken Educator Award. She is one of only two educators in the state of South Carolina to receive this honor this year. ¶

¶

Administration and the School Improvement Council worked together to revise the 2014-2015 bell schedule in order to provide students with instruction in all classes every day. The two groups also worked closely to revise the dress code so that it is more closely aligned to our district's high schools, and they began to explore a STEAM focus for implementation during the 2016-2017 school year. ¶

¶

With the continued support of our parents and community, we look forward to another great year in 2014-2015.¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	89.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Dutch Fork Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
