Report of Principal and School Improvement Council

T. E. Mabry Middle School continues to provide a quality, student-centered education for our students. As a South Carolina School to Watch, named in 2011, we hosted visitors from other schools throughout the state. We also were proud to achieve Re-designation I as a national and state School to Watch. As the 2011 Exemplary Reading Award School and as a School to Watch, we continue to participate in the SC Middle School Association and SC International Reading Association by serving as presenters at the annual conferences in Myrtle Beach, SC. Mabry had 18 students named Junior Scholars and two students that qualified for state recognition through the Duke/TIP Scholars Program. We had five students invited to participate in the Spartanburg County Early College High School Program and we again had a 100% passage rate on the Algebra I EOC. We continue to have a successful Junior Beta Club with over 150 students actively involved. MMS was one of two middle schools nationwide that was spotlighted in a national publication, Building a GradNation, recognizing success for our overall program. Our athletic teams had a great year, with record numbers of students participating. Our Fine Arts programs continued to excel receiving all "Superior" and "Excellent" ratings in all concerts and competitions. Our newly offered Drama class performed at the end of each semester. We are very grateful to the Athletic Booster Club, PTO, and SIC for the support each group provided throughout the year. Our goals continue to be the academic success of all students and to ensure they are college and career ready. We look forward to the challenges that each year will bring. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	95.4
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

T. E. Mabry Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
