Report of Principal and School Improvement Council

This school year, Mayewood Middle School students, parents, teachers and staff focused on the goal of making history in student achievement. The school had a new leadership team led by a principal with a history of attaining significant student achievement gains. This year was a success. Students, parents, teachers, and staff were very proud of the achievements made.

The culture of Mayewood Middle School changed into a school that values excellence in academics and character. The school implemented the Positive Behavior Intervention and Support (PBIS) model. We encouraged our students to use their Viking SWORD everyday: Seek excellence; Work hard; Observe rules and procedures; Respect self and others; and to Do the right thing all of the time even when no one is looking. The school started a voluntary uniform initiative called Viking Attire. Students who consistently wore Viking Attire received special incentives. As a result of our PBIS initiative, student discipline infractions significantly declined and only three students were recommended for expulsion during the school year. The school had a very positive climate that was safe and conducive for learning.

In order to achieve our academic goals, the school implemented the TE-21 benchmark assessments that monitored student achievement, increased instructional time, provided teachers with instructional support, and developed a collaborative focus on excellence. Students developed an intrinsic value for academic scholarship. Students were excited to report their benchmark scores, which were highly correlated to their projected SCPASS performance. Parents received quarterly benchmark reports in conjunction with the grade report cards. Teachers embraced the challenge of improving student academic ability with at least a year's growth.

Mayewood Middle School also excelled in the Arts and extracurricular activities. The band students conducted a winter and spring concert. Despite being the smallest school in the conference, the boys' basketball team won the conference tournament and the track team came in second place. Our students visited three colleges this year including Coastal Carolina University, South Carolina State University, and the University of South Carolina. Mayewood sponsored several clubs to including the National Junior Honor Society, Student Council, Step Team, Academic Challenge Team, and National Junior Beta Club.

The school would not have been able to achieve success without our parents and community support. This year over 30 parents met on Saturdays during our Advanced Viking Academy (AVA) to conduct professional development and the School Improvement Council (SIC) meetings. Representatives from the United Way Sumter, Sumter Sheriff's Office, Sumter School District Social Worker, and Mayewood facilitated sessions on Bullying, Adolescent Development, Internet Safety, SCPASS report cards and other topics. While parents attended professional development, students were in advanced tutoring sessions. This collaborative effort was successful.

The Mayewood team believes that we are on the right track. With the combined efforts and support of teachers, students, parents, and staff, we believe that our students will experience the best education possible and will surpass our academic expectations.

David Laws Jr., Principal Vonetta Thorne, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mayewood Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
